

## **Celebrating colour and Portrait club**

***Two 10 week courses designed to help you feel confident and free in your art.***

These are my materials suggestions but if you don't have time to get them or would prefer to use something else, just come along with what you have and let me know before class what materials you will be using.

Fine line pen

Water soluble pencils

watercolour paints

Container with water

something to lean on

2 or 3 various sized brushes

10 sheets of white paper per class( any thickness and any size)
