

## Sketching with Ruth in person classes

### Info and materials list

Please sanitise your hands frequently throughout the class and before. Please wear a mask when moving around the space. You are welcome to take it off once you are in your place if you prefer.

If you feel unwell/ have Covid or anyone you live with feels unwell/has Covid please don't attend the class.

If you have to cancel for any reason, I will not be able to refund you unfortunately but if I need to cancel the class due to Covid I will give credit notes for any missed classes. Many thanks for your co- operation.

We will have easels, A1 boards and chairs to use in the beautiful dance studio in Aberystwyth Arts centre so feel free to bring ***loose paper*** of any size that suits you ***or a sketchpad*** if you want to be more portable. ***Masking tape*** to attach your paper to the board and ***any colourful dry art material*** you like that is clean and not likely to create mess on the dance floor. ***Pens*** of any kind, (Posca pens are great), ***coloured pencils, oil pastels*** etc but please avoid charcoal, soft pastel, paint etc. Sorry for the inconvenience: the reason for relocating from the 2d room to the dance studio is to allow for social distancing and better ventilation. We hope to provide you with a safe, relaxed , flamboyant and fun drawing experience within these limitations! x
